ABOUT ME

Data Science undergraduate with a strong academic record (CGPA 3.94/4) and experience in Python-based data analysis, secure systems, and research. Actively participated in national hackathons and presented a research paper. I am seeking a Data Science internship to apply my analytical skills to real-world challenges and gain hands-on industry experience

EDUCATION

Mukesh Patel School of Technology Management and Engineering (NMIMS)	2022-2028
--	-----------

B.Tech in Data Science | CGPA: 3.94/4.0

Relevant Coursework:

Data Structures & Algorithms, Probability & Statistics, Programming for Problem Solving

Bombay Cambridge International School	2022
---------------------------------------	------

10th Grade, Scored 93.8%

INTERSHIPS

CoverSure - Data Science Intern (currently working)	June 2026
---	-----------

- Work directly under the Lead Data Scientist
- Work on User Databases
- Great learning exposure with real world datasets

PROJECTS (DATA SCIENCE & RESEARCH)

1. Secure Document Secret Sharing System (Research Project)

Python | Cryptography

- Designed a secure document-sharing system by splitting sensitive files into multiple encrypted shares
- Implemented SHA-256-based authentication to verify integrity and prevent tampering
- Research work Published in GRENZE International Journal of Engineering and Technology

2. Mumbai AQI Fluctuation

Python/ARIMA/Markov Chain

- 2,431 daily AQI observations for Mumbai (May 2018 – Dec 2024)
- Source: CPCB via GitHub (cp099/India-Air-Quality-Dataset) + Kaggle
- ARIMA(p,d,q) forecasting with 95% confidence intervals
- Markov Chain transition matrix and stationary distribution

EXTRACURRICULAR

Achievements

- Presented Research Paper at Hinweis Fourth International Conference in Software Engineering and Information Technology, ASIT-2025
- Research work Published in GRENZE International Journal of Engineering and Technology in January 2026 edition
- Qualified for Internal Round- Smart India Hackathon in 2025
- Participant, Build and Grow- AI Hackathon 2025 by Google

Leadership experience

- Head of Publicity- IETE Student Forum (2025-26)
Led Outreach and promotion activities, coordinated with team members, and managed communication strategies for technical events.

SKILLS

Programming languages: Python, C++, C

Software: Ms Excel, Power BI, Tableau, GitHub(Basic)

Web & Tools: HTML, CSS, JavaScript

Data Science: Pandas, Numpy, Matplotlib, Statistics, Data Analysis
